## REPORT OF FIREWARDS.

---

The Board of Firewards submit the following report for the year ending Feb. 15, 1896 :

Merrimack Engine No. 1, in good condition.

250 feet linen rubber lined hose, in good condition.

300 " cotton jacket rubber lined hose, in good condition.

50 " cotton jacket rubber lined hose, in fair condition.

150 " double riveted leather hose, old and nearly worthless.

1 Babcock fire extinguisher in Town Hall.

1 Five-gallon fire extinguisher in Engine House.

18 Hand fire extinguishers distributed in Town Hall, School Houses, and Engine House.

3 Ladders at Engine House.

One fire hook, lanterns, rubber coats, etc., in Engine House in good condition.

Two new  $\frac{3}{4}$ -inch nozzles have been placed on the hose carriage to be used in connection with the siamese coupling.

Several of the hand fire extinguishers reported last year have become worthless, some by freezing and some by rusting, which proves them not very durable.

We would recommend that 150 feet of new hose be purchased to take the place of the old leather ones which are of little account.

Respectfully submitted,

JOHN L. KING.	{	Firewards of Bennington.

# REPORT OF TRUSTEES OF EVERGREEN CEMETERY.

At the Annual Town Meeting in 1895 a Board of Trustees were elected to have charge of Evergreen Cemetery. The cemetery was in an unfinished condition, and the Trustees have during the year completed the work of staking out the lots, have covered the well from which the water supply is taken, and made those improvements that appeared to be needed most at the present time. We now submit the following report:
